USPA NEWS - Sam Smith has announced to fans via Instagram that he must cancel all his upcoming shows in Australia.
In his Instagram note to fans, Smith said that he "is deeply deeply saddened," but he has been diagnosed with a hemorrhage to his vocal cords and has been ordered to stop performing until healthy.

Smith got the news while on tour in Australia, where he had dates lined up for Thursday, Friday and Monday. He also had to nix a scheduled appearance Sunday night at the Australian TV industry's annual Logie Awards, reports CNN.
He promises to announce new dates soon. An upcoming date in Tokyo set for July 5 is still on his schedule.
